

2016
ITASCA GREENHOUSE
A Leader in Containerized Tree Seedlings

ITASCA GREENHOUSE, INC. can grow up to 2-3 million containerized seedlings per year. With our greenhouses utilizing cogeneration heat from our local power station, and with our management efficiency, we are able to produce quality containerized seedlings at low cost.

Cohasset, MN 55744

Dear Customers,

We would like to take this opportunity to thank our customers, past present and future for your support and patronage of Itasca Greenhouse. 2016 will be the beginning of a new era in the over 30 year history of this company. As Bill prepares to retire from day-to-day operations of the Greenhouse, he will pass along his knowledge and experience to Dan and Rachael Nielsen. As the new leaders of this company, they will continue to be involved in the conservation of the local forests and the forestry industry.

New processes will be implemented over the next several years that take the newest technologies into the greenhouse end of growing the next generation of trees. New product lines will be implemented and promoted, always with the best interests of the environment in mind. New varieties of trees will be put into production for future years to accommodate markets and growing conditions outside of the local area.

We plan to continue with the same quality customer service that you are used to in the past. We would be happy to have you visit our facility. Please call at least 24 hours in advance to make sure we have someone available to assist you. The integrity of this company is important to both the old and new leadership and we want to assure you that the quality of the plants that you receive will always be of the best quality to perform well for your application.

As always, container grown seedlings continue to be the best option for transplant success for small trees, with greater than 95% survival with the appropriate care. They are a great option for Christmas tree farms, shifting to larger containers for the landscape trade and for mass plantings in reclamation projects, windbreaks and for reforestation.

We look forward to working with you for many years to come and to continue the long-standing relationship that many of you have had with us for the last three decades.

Sincerely,

Management and Staff

Itasca Greenhouse

CONTAINER SIZES

Styrofoam 2a – 2.4 cu. in. plug, 240 cells, 25/bundle

Styrofoam 4a – 3.7 cu. in. plug, 198 cells, 25/bundle

Styrofoam 6s – 4.9 cu. in. plug, 112 cells, 15/bundle

Styrofoam 6 – 6.6 cu. in. plug, 112 cells, 15/bundle

Styrofoam 10s – 7.6 cu. in. plug, 77 cells, 10/bundle

Styrofoam 10 – 10.0 cu. in. plug, 77 cells, 10/bundle

Styrofoam 20 – 20.5 cu. in. plug, 45 cells, 5/bundle

MP6 – 6.0 cu. in. plug, 45 cells, 15/bundle

ABP – 24.2 cu. in. pot, 36/bundle

Trees will be grown in the size container that best suits the species. Many species are available in multiple sizes. If you want your trees grown in a specific size container, please contact us for contract growing. Trees are sold extracted from the container. If you wish to have your trees in the Styrofoam containers, each block is \$8.00, MP6 are \$5.00/each and ABP pots are \$0.16/each.

CONTRACT AND CUSTOM GROWING

Contract growing involves growing a specified number of trees in a specified container for you, from our seed. Minimum order for contract growing is 5,000 plants for 2a – Styro 10; and 2,500 plants for Styro 20 and ABP pots. Any variety we currently grow is eligible for contract growing.

Custom Growing involves growing your seed in a specified container. As we have no control over the seed quality or germination, there is no guarantee on numbers of finished plants. Minimum seed lot for custom growing is 10,000 seedlings.

PROMOTIONAL SEEDLINGS

Itasca Greenhouse will continue to be involved in promotional seedlings. Our subsidiary company, The Greenworld Project will be handling all orders and shipping, as it is currently set up to do that. The Greenworld Project will continue to provide trees from Itasca Greenhouse and carry the same products and services that we have carried in the past, along with a wider variety of products that are suitable for many different applications. You may visit that website to view products and pricing at www.greenworldproject.net.

TERMS AND CONDITIONS

General Information/Terms:

- ✓ Price levels are based on the number of seedlings of each size & species ordered.
- ✓ Trees sold in bundle quantities if extracted or by full container.
- ✓ Heights of seedlings will depend on species, container size and age.
- ✓ Orders are accepted on a first-come, first-served basis.
- ✓ **Minimum order of \$150 (tree total only).** Orders less than \$500 must be paid in full at time of order. Orders over \$500 require a 25% non-refundable deposit at the time of order. Product will not be reserved until payment is received.
- ✓ Final invoices will be sent 4-6 weeks before ship date. Payment must be received at least 5 days before ship date. If payment not received, order may be delayed or cancelled and deposit will be forfeited.
- ✓ For customers who qualify for credit, terms are net 30 days from shipping. Past due accounts will be charged 1.5% interest per month.
- ✓ Orders are subject to crop conditions. Itasca Greenhouse is not responsible for crop losses due to fire, hail, frost, drought and inventory error, or any other conditions beyond our control. Unless specified, Itasca Greenhouse will make a container size substitution if needed.
- ✓ Please make any changes on your order at least 30 days prior to your ship date. If your order is cancelled, your deposit will be forfeited.
- ✓ Additional volume discounts are applied for orders over a specific dollar amount
 - \$3,500 - \$5,000 – 3%
 - \$5,001 - \$15,000 –5% (discount is applied to trees only)
 - \$15,001 - \$25,000 – 7% (shipping and boxing charged at cost)
 - Over \$25,000 – 10%

Shipping Information:

- ✓ Orders are shipped on Mondays. This is to ensure the maximum amount of time for delivery so that trees do not sit in a warehouse over the weekend.
- ✓ We will make every attempt to ship your order to arrive during your requested shipping week.
- ✓ Estimated shipping and boxing will be stated on the order confirmation. Difference for actual shipping charges will be billed with order.

Pickup Information:

- ✓ Pick-up times are Tuesday-Friday, 8am – 4pm. Please call to schedule your pick-up date at least 2 weeks in advance. We are unable to make changes to your order on pick-up date.
- ✓ Please ensure that you have the appropriate space and tarps/ropes to secure and protect your load.
- ✓

Terms and pricing are subject to change without notice
